SIMON THORN and the WOLFS DEN reader reviews

Simon Thorn and the Wolf's Den by Aimee Carter Below are the complete reviews, written by the Lovereading4kids members Tomasz Hawryszczuk, age 10 What a brilliant book A boy who can talk to animals and shape shift Perfect for reluctant boy readers I would say, as it's full of suspense and excitement I really enjoyed reading this book Simon

Grammar, metalanguage and writing development

Carter's general principles find concrete expression in Hudson's (1992) inductive approach to learning about grammar Hudson rejects calls for a return to traditional grammar teaching and argues for a discovery-learning approach on the basis that the primary aim of grammar teaching is to make pupils more explicitly aware of what they
